## TELESCOPIC POLE FOR INSTALLING SLEEVES ON SPRINKLERS

Page | 1

## Safety Feature: Installation of Sleeves

Part Number: 041-21066-100

Part Number: 041-21066-200

This device is designed for use during unit shutdowns to prevent water discharge in the event of accidental sprinkler activation.

It is compatible with all sprinkler orientations and can also be used on fire hose reels.

## System Operation:

- ✓ Attach the sleeve to the pole (see user manual)
- ✓ Position the sleeve over the sprinkler head
- ✓ Pull the first drawstring to tighten the sleeve around the sprinkler
- ✓ Detach the pole
- ✓ To remove the sleeve, simply pull the second drawstring
